

DISTRICT HOSPITAL AND MATERNITY, CHITALDRUG.

Tender Notice dated 6th October 1930.

Notice is hereby given that sealed tenders in triplicate, on half-sheet foolscap size paper will be received at the Office of the District Hospital, Chitaldrug, by the District Medical Officer, at 11 A.M. on the 20th November 1930, for the supply of all articles of diet, etc. (noted in Alphabetical order), required for the District Hospital, from 1st January 1931 to 31st December 1931 (both days inclusive).

2. No tender will be received after the date and hour mentioned above.
3. Tenders are to be superscribed "Tender for the supply of provision to the District Hospital, Chitaldrug."
4. No tender will be received unless accompanied by a deposit of Rs. 60 in cash or currency notes or Treasury receipts.
5. Tenders will be opened by the District Medical Officer in charge, at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.
6. The rates for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.
7. The quantities stated in the lists are not guaranteed.
8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.
9. The deposit of the successful tenderer will be retained, and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 150) within three days from the date of his receiving intimation of the acceptance of his tender.
10. No advance of cash will be made to the contractor; payment for the articles supplied in each month will be made, as soon as possible, on his producing the necessary bill with vouchers.
11. A store-room wherever available, will be placed at the disposal of the contractor in which he can keep all non-perishable articles, of which not less than one month's supply must always be in stock. Perishable articles such as vegetables, meat, etc., must be at the Hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 8 A.M. and 6 P.M. every day. All articles except when mentioned otherwise, should be of the first sort and any articles rejected on account of inferiority should be promptly replaced by articles of required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor. Samples of rice, dhal, soji, curry powder, ghee, bandage and gauge cloth must be presented in sealed bottles at the time of offering the tender.
12. The contract must not be sublet.
13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security will be confiscated to Government in the case of continued or frequent violation of the terms of the contract, the defaulter being further liable to make good any loss that may result to Government by annulment. If the contractor thinks that the fine levied in any case is not justifiable, he may appeal to the Senior Surgeon who will have the power to fine up to Rs. 100.
14. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.
15. The contractor will be bound, on occasions of emergency, to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

List of articles with probable quantities or number required from 1st January to 31st December 1931, for the use of District Hospital and Maternity, Chitaldrug.
